Mr. Matt Tavilson, Director of Orchestras

Dr. Alice Kim, Assistant Orchestra Director

Dear Paetow High School Supporter,

Paetow High School opened its doors in fall of 2017. The orchestra program at Paetow High School strives to create an atmosphere where students can thrive and perform at their highest level. This past year our orchestras earned top awards at all contests and UIL competitions, and we intend to build on this success for years to come.

To continue building our program, we need support from businesses like yours. The orchestra program needs funding to purchase equipment to ensure that all our students can have access to the materials they need to be successful. We ask for your support by becoming a Paetow High School Orchestra Community Sponsor. With your help, we will be able to enhance the quality of music education for our students.

There are a variety of membership levels that make sponsorship available to everyone. It's also a great way for your business to show the community that you support the education of our children. Your information will be included in our digital concert programs under "sponsors & donors".

Thank you for becoming a supporter of music education and the students within Paetow community. For questions or more info, please contact Paetow Orchestra Booster Organization at phsorchbooster@gmail.com
